President's Message

Chapter Overview

Summer brings a lull in our activities, although the Tours Group continues to provide exceptional opportunities to visit scenic and educational places throughout the year. The 2014 New Mexico legislative session is past, with some favorable results, and we're preparing for the 2015 30-day session in cooperation with the Department of Veterans Services, State Adjutant General, and local military and veteran organizations—more on what you can do later.

The New Mexico Council of Chapters met in Las Cruces on May 3. We discussed legislative affairs, national budget issues, membership initiatives, needs for auxiliary liaison, National MOAA convention in Colorado Springs, charitable organizations (Vet Integration Center in Albuquerque seeks to expand services; Veterans Home in Truth or Consequences), Storming the Hill (National coordinated lobbying in DC), and general business matters. A lot of discussion on the Council web site (www.nmmoaa.wordpress.com):

- What else should be added? Take a look; recommend information for posting.
- How should it be maintained? A **volunteer is needed**; currently paying \$50/month to a webmaster). **If you could help, please let me know**; the Council can't really afford the continued costs to maintain the site and post information.
- Moved, seconded, and passed that the Council continue to pay the webmaster.

(Continued from page 1)

This led to a broader discussion of the need for an expanded Finance Committee and development of a Council budget—both ideas strongly urged by Rett Benedict. The motions passed, and we can expect increased fiscal responsibility in the future.

Recruiting new members and retaining current members are issues facing all chapters. Free first year memberships, building on the National referral program, and direct contact are three of the ideas that we all need to push with acquaintances, business associates, retirees, and service members to strengthen our voice with the community and legislators. I've handed out a "palm card" (about 3 x 8 inches) with this short message (I'll ask that it be posted on our web site), www.ALBUMOAA.org:

Why should YOU join the Albuquerque Chapter of the Military Officers' Association? Because you could help us:

- *Preserve the earned entitlements of veterans, retirees, and their survivors.*
- *Assist deserving charitable organizations whose goals reflect our principles.*

This is our primary goal in Albuquerque.

- *Support legislation to exempt Veterans' retired pay and survivor benefits from NM Personal Income Tax (PIT).*
- *Support education and hiring preferences for veterans living in New Mexico*
- *Provide services for chapter members, their dependents, and their survivors.*
- *Support veteran's memorials and monuments in New Mexico.*
- *Get involved with our tours group, ski club events, monthly breakfast discussions, and other activities.*

We want all veterans, not just retired officers, and patriots who are interested in our programs to become active in our chapter.

Regular and Auxiliary membership is **FREE** for the rest of the year in which you become a chapter member.

Albuquerque Chapter of MOAA Endowment

In 2012 Chapter established the Albuquerque Chapter of MOAA Endowment at the Albuquerque Community Foundation (ACF) to enhance our current, and especially our future, ability to contribute to worthy charitable organizations that help our military personnel, veterans and their families. The endowment was initiated in late January of 2012 and has grown well as a result of contributions and the growth in the investments. The Board has adopted a policy of using the annual distributable amount to increase our Giving in each year. For those who are so inclined, gifts can be made to the Chapter Endowment as a part of a member's estate or as part of a yearly donation. More information about the annual performance and use of the distribution will be published in a future ALBUMOAA. For questions, the Chapter point of contact is the treasurer, Rett Benedict, rbenedict4@comcast.net or 505-453-4962 (cell).

Go to www.ALBUMOAA.org and click on **Join the ABQ Chapter** link.

Again, **I urge all chapter members to seek out candidates for membership.** Tell them how we can help them, and how they can help us help all currently serving troops, veterans, and surviving spouses.

Sincerely,

Roger

It turns out that charging an average of 15% APR* interest on credit cards is completely legal. But that doesn't mean you should put up with it. And with our rate being as low as 5.75% APR, you don't have to. Apply online at KirtlandFCU.org.

In the last ALBUMOAA, we asked our members to join with the Chapter for a special donation to the Honor Flight of Northern Mexico and I am happy to announce that between members' contributions and Chapter donations, **we raised \$2260** and have contributed that amount to the Honor Flight Project. That is more than enough to send two veterans to Washington DC to see the WW II Memorial. Overall, the Williamson Foundation raised enough funding for the Honor Flight of Northern Mexico to send 26 veterans to see the Memorial. They depart the Albuquerque Sunport at 9:30 AM on 4 Jun and return on 6 June between 4 – 4:30 PM Twenty volunteer escorts—including New Mexico Department of Veterans' Services Secretary Timothy Hale—are paying their own way to accompany the WWII veterans throughout the trip. What a great event and our members helped make it so successful.

Thanks to all of you who contributed!

MOAA Chapter Scholarship

Scholarships for Members Children and Grandchildren

We are looking for people who would be interested in forming a committee to design and offer Scholarships for Children and Grandchildren of members. We are looking for people who would be interested in serving on this committee. Proposed suggestions would be: definition of the qualifications for the child entering College and to define exactly who would qualify. If you have been on a committee or headed one for a search like this and would be interested helping us define this Search, please call Mary Kay Olson 505 836-7840.
