President's Message

National Economic Pressures That Affect Us

Roger Mickelson, President

We've all seen and heard about the proposed 2015 Budget that would significantly reduce the size of our Armed Forces, slow or kill procurement, and reduce the overall capability to respond to threats to the United States. Recognizing that Congress will undoubtedly struggle with competing demands, trying to forestall drastic cuts, we have to understand that the outcome won't be pretty, and it won't be "balanced" in the sense of the priorities that we support.

MOAA has taken the lead on analyzing the Budget, identifying severe flaws, and asking for members to contact their national legislators to express our common concerns. We try to send out their Legislative Alerts, seeking to add your voices to the national issue process.

It's truly important for each of our members to act. We all succumb to the "gripe, don't write" mode because it's easy to criticize, and it's difficult to act. But with the increasing attacks on the Defense and Veterans Affairs budgets, we can't just sit back and gripe.

So I ask each of you to take a more aggressive stand on the upcoming issues in the national budget process. There are serious and continued pressures to cap COLA, increase medical fees, cut military end-

strength, close bases, commercialize commissaries and exchanges, and reduce support of veterans and the military. Without delving into the debate over "tax and spend," we can make a difference in setting priorities as the Congress tackles the 2015 Budget.

I urge you to read the Legislative Alerts, to go to http://www.moaa.org/legislative/ to find more information, and to contact your Senators and Congresswoman, urging support of MOAA recommendations.

New Mexico Legislative Initiatives

I attended the signing of Senate Bill 130, the Child Custody Protection Act by Governor Susana Martinez. This is a great step toward keeping military families together during stressful periods. The Legislature approved funding for Veterans' Cemeteries, which qualify for extensive Federal funds, to offer alternatives to interment or ennichement at Fort Bayard, Santa Fe, or Fort Bliss.

We didn't do so well on the perpetual reduction in personal income tax for retirees and surviving spouses, and we'll learn from the mistakes to move forward. Special thanks to Secretary Tim Hale, Adjutant General BGen Andy Salas, and particularly Dave Coulie, whose diligence and knowledge have proven invaluable.

We have already begun strategizing for the next session. Your ideas are always welcome.

Sincerely,

Roger

Albuquerque Chapter of MOAA Endowment

Last year the Chapter established the Albuquerque Chapter of MOAA Endowment at the Albuquerque Community Foundation (ACF) to enhance our current, and especially our future, ability to contribute to worthy charitable organizations that help our military personnel, veterans and their families. The endowment was initiated in late January of 2012 and has grown well as a result of contributions and the growth in the investments. The Board has adopted a policy of using the annual distributable amount to increase our Giving in each year. For those who are so inclined, gifts can be made to the Chapter Endowment as a part of a member's estate or as part of a yearly donation. More information about the annual performance and use of the distribution will be published in a future ALBUMOAA. For questions, the Chapter point of contact is the treasurer, Rett Benedict, rbenedict4@comcast.net or 505-453-4962 (cell).

The Honor Flight Network is a program to honor our World War II vets by providing opportunities to visit the very impressive World War II Memorial in Washington DC. The Network was started by a retired Air Force Captain and Physician in 2004 and has since helped transport more than 98,500 veterans to the Memorial. It has 127 hubs in 41 states, including hubs in southern and northern New Mexico. More information can be found in the pamphlet on our website.

The Chapter Board concluded that the Honor Flight Network is a worthwhile program to help those who fought in one of our biggest wars. After meeting with the Williamson Foundation, which is sponsoring the Honor Flight of Northern New Mexico, the Board added the program to our list of militarily related charities to help in 2014. In addition, we thought that our members might also want to participate. To that end, we established a matching program where the Chapter will match specific contributions from our members, dollar for dollar up to $1000 of individual donations. In addition, one of our members anonymously offered an additional match up to $600 for this worthwhile program. So your $30 donation becomes a $90 donation, up to the limits on totals noted above.

If you would like to participate, please send a check to:

Albuquerque Chapter of MOAA
Attn: Treasurer
PO Box 5071
Albuquerque, NM 87185-5071

Please write the check to Albuquerque Chapter of MOAA and indicate on the check that it is for the Honor Flight Network. The Williamson Foundation has said that all administrative costs are borne by the foundation and that 100% of the funds contributed by our members and the Chapter/donor matching will go directly for transporting our WW II vets to the Memorial. By sending the check to our Chapter, you will receive a charitable deduction as usual because of our 501 (c) (3) status.

We hope you will join us in this very worthwhile endeavor.

The season ended with one last trip to Purgatory by a few hardy souls. They were rewarded with fresh snow and a fantastic weekend. Overall, the season went well with snow coming just in time for us to enjoy it.

The End of Year party will be held at the NM Veterans Memorial on April 27th, from 3pm to 5pm, this year. All current members are invited to join us for a rehash of the season and free food and drink.

See you at the party,

Reg Rider

MOAA Chapter Scholarship

Scholarships for Members Children and Grandchildren

We are looking for people who would be interested in forming a committee to design and offer Scholarships for Children and Grandchildren of members. We are looking for people who would be interested in serving on this committee. Proposed suggestions would be: definition of the qualifications for the child entering College and to define exactly who would qualify. If you have been on a committee or headed one for a search like this and would be interested helping us define this Search, please call Mary Kay Olson 505 836-7840.
