Albuquerque MOAA Vision:
"Recognized as the leading Military Service Organization in central New Mexico, supporting and giving a voice to military retirees, surviving spouse, and veterans of all services."

Dear Albuquerque MOAA Chapter member:

I hope this newsletter finds you and your loved ones prosperous and healthy!

For 2020, your Chapter's Board of Directors has selected the Albuquerque Fisher House, located on the campus of the Raymond G. Murphy VA Medical Center, as the Chapter's featured Charity. For each dollar of directed donations to the Fisher House, the Chapter will MATCH up to $1500 from our general funds. Our goal is to raise at least $1500 in directed donations from members in order to make a donation of at least $3000, total, to the Albuquerque Fisher House.

Please make your checks payable to Albuquerque Chapter MOAA and annotate the memo/for line: Fisher House. Mail your contribution to:

Albuquerque Chapter of MOAA
PO Box 5071
Albuquerque, New Mexico 87185-5071

To learn more about the Albuquerque Fisher House visit: https://www.albuquerque.va.gov/features/FisherHouse.asp

I encourage you to consider a donation to this very worthwhile endeavor.

You are not, of course, limited to making directed donations. Our Chapter needs your help to continue supporting the many worthy causes we traditionally support. I sincerely hope you can find it in your heart to display the same generosity in 2020 that you did in 2019.

Lastly, please continue to monitor your email for important messages regarding our Chapter!

Sincerely,

Michael Cochrane
Commander, U.S. Navy (Retired)
President, Albuquerque Chapter MOAA
In 2012, our Chapter established the Albuquerque Chapter of MOAA Endowment at the Albuquerque Community Foundation (ACF) to enhance our current, and especially our future, ability to contribute to worthy charitable organizations that help military personnel, veterans and dependents. The endowment was initiated in late January of 2012 and has grown as a result of contributions and the growth in the investments. The Board has adopted a policy of using the annual Endowment distribution to increase our giving each year. For those who are so inclined, gifts can be made to the Chapter Endowment as a part of a member’s estate or as part of a yearly donation. More information about the annual performance and use of the distribution will be published in a future ALBUMOAA. For questions, the Chapter point of contact is the Treasurer, Clint Whisonant.

Military & Veterans Day at the 2020 Legislature At the State Capital, Santa Fe, NM

Reported by LTC Michael Houck, USA (Ret) 2nd VP—Programs

Every year, a particular segment of the military is featured at a noon ceremony in the Capitol Rotunda. The focus at this year’s January 25, 2020, ceremony was on POW’s and those still listed as Missing in Action (MIA). Former Korean War U.S. Army Private 1st Class and ex-Prisoner of War (POW) Manuel Martinez was the featured speaker at the State Capitol in Santa Fe.

PFC Martinez, from the small northern New Mexico town of Truchas, was a Machine Gunner in the Army’s 3rd Division. He was taken prisoner by North Korean forces on September 27, 1952, when his unit came under heavy fire. Mr. Martinez, a longtime resident of Pojoaque, was among seven soldiers of his unit taken prisoner on that day. He mentioned the poor conditions — being fed meager rations of boiled vegetation...and Maize — which, because of his rural upbringing in northern New Mexico, he recognized as cattle feed.

“I was told by other prisoners in the camp that those captured before us suffered much more inhumane conditions,” he recounted. “Some were brutally murdered without cause. Many starved to death. Many died from lack of medical care; others, from exposure to the extreme cold.”

Mr. Martinez spent eleven months in captivity—being liberated a month after North and South Korea signed an Armistice on July 27, 1953, to cease hostilities between the two countries. He spent nearly three months recovering and rehabbing at Fitzsimons Army Medical Center in Denver before returning home to northern New Mexico, where he opened a hardware store in Pojoaque.

Also recognized at the ceremony were former POW’s Aubrey Nichols and Ralph Nelson. 80-year old Aubrey Nichols was a Navy Lt. Cmdr. who was shot down while flying his A-7 Corsair on a combat mission over North Vietnam on May 19, 1972. He was released from the Hoa Lo Prison (the “Hanoi Hilton”) eleven months later. After recuperating, he returned to active duty...retiring from the Defense Nuclear Agency Field Command at Kirtland AFB in 1988. 94-year old Ralph Nelson was a WWII Army infantryman who was among several in his unit who were captured during the Battle of the Bulge in December of 1944. He was released shortly after Germany formally surrendered to Allied forces on May 8, 1945. After his recuperation & rehabilitation, Mr. Nelson eventually became a long-time dentist in Los Alamos.

New Mexico Adjutant General/Maj. Gen. Ken Nava read the names of 12 Vietnam War veterans who are MIA’s from New Mexico:

USMC Staff Sgt. Stan Corfield
Army Sgt. 1st Class Ricardo Davis
Army Sgt. 1st Class Frederick Herrera
USAF Lt. Mitchell Lane
Army Maj. Calvin Maxwell
USAF Lt. Col. Scott McIntire
USAF Lt. Col. Robert Morrissey
USAF Col. Bobby Neeld
USMC Maj. John Oldham
Army Pfc. Max Simpson
Army Sgt. 1st Class Robert Trujillo
Army WO1 Bain Wiseman

We returned from our last club ski trip for the season Thursday evening, February 27th. Crested Butte was fantastic, as usual. Fun was had by all 46 skiers on the trip, with only a few bruises to show for our efforts. The snow amount this year was outstanding with some of the best powder skiing we have seen for quite some time.

We are already looking forward at the 2020-2021 season. At this time we are tentatively planning five trips starting with Wolf Creek in December. January will have the usual Purgatory and Telluride trips. February will lead off with Steamboat and finish with Crested Butte.

The end-of-year party has yet to be scheduled for this year. Details and the date will be coming out to the membership very soon.

Thank you to all who made this a banner season.

IMPACT AND LEGACY OF THE “HIDDEN HAND”

Reported by LTC Michael Houck, USA (Ret) 2nd VP

We are fortunate to have Gene Kopelson, MD, a published medical research physician and a highly regarded Radiation Oncologist, present another perspective and additional insight on the impact of Dwight Eisenhower’s place in post-World War II history. What we would have heard at the Military Coalition luncheon will now be presented at The Rio Grande Foundation Speaker Series with Dr. Gene Kopelson, Thursday, March 26, 2020 at 6:00 PM – 8:00 PM MDT. The event will be at the Albuquerque Museum Auditorium, 2000 Mountain Road NW, Albuquerque, NM 87104. Tickets are available: https://www.eventbrite.com/e/speaker-series-gene-kopelson-tickets-82283172183

Dr. Kopelson was our choice for the first Military Coalition we would have hosted in 2020. As the Military Coalition Luncheon programs were suspended, Dr. Kopelson’s name was forwarded to the Rio Grande Foundation as a candidate for its Speaker Series. Dr. Kopelson graduated from the Columbia University College of Physicians and Surgeons in 1977 and has been in medical practice for 43 years. He travels to major hospitals and cancer clinics across the country for six months each year to consult with patients, oncolgists, and educate local cancer physicians on Radiation Oncology and chemotherapy treatment and patient care. One of the cities that Dr. Kopelson regularly visits is Albuquerque. In Albuquerque he provides consultations through physician’s practices at Presbyterian and Kaseman, UNM Cancer Center, and Radiological Consultants.

Dr. Kopelson is an author and historian. His presentation about the relationship of “Dutch and Ike” (Presidents Ronald Reagan and Dwight Eisenhower) reveals the “hidden hand”. Eisenhower's presidential reputation has changed as more records and papers have become available to study his presidency. Contemporaries often only remembered Eisenhower's frequent golfing and fishing trips. Historians studying Eisenhower’s archived presidential records now appreciate that Eisenhower recognized the political advantages of working behind the scenes using his "hidden hand" to guide policy.

The impact and legacy of the “Hidden Hand” goes beyond the 1942-1960 timeframe when Eisenhower emerged as the Commander of Operation Torch in North Africa; then, Supreme Commander of Allied Forces; Chief of Staff of the US Army; NATO Commander; and, then, President of the United States. His post-presidential mentoring of a future President, also, is now revealed in released record archives of both Presidents Dwight Eisenhower and Ronald Reagan.

Dr. Kopelson is a trustee of the Theodore Roosevelt Association, an active Churchillian, and a holocaust educator. Dr. Kopelson's book has been widely reviewed and he has spoken at the Dwight D. Eisenhower Presidential Library in Abilene, Stanford University's Hoover Institution, the Heritage Foundation, the Ronald W. Reagan Society at Eureka College, the U.S. Army War College, The Naval War College, and The Institute for World Politics.
Our Purgatory ski trip still has a few spaces available. Telluride, Breckenridge & Crested Butte trips are full, but need waiting lists, as cancellations often happen. Links to trip flyers are below. Note: Cross-country skiing, snowshoeing and shopping are available at most locations. We welcome new skiers & non-skiers – singles, couples and families!

The 2020 New Mexico Legislative is over and what a session it was! The budget for FY 2021 beginning on July 1, 2020 is $7.6 billion up from $7.1 billion last fiscal year.

Some good news for military members and their families is that House Bill 30, Expedited Licensure for Military Families has passed both houses and is awaiting signature by the governor. This bill when enacted will not require any fees when applying for a license in New Mexico. Departments have 60 days to issue a license. This is a change from the original bill. The amendment was made to allow for departments to complete background investigations. In addition a retiree must be a “recent retiree” defined as having been retired three years or less.

The Personal Income Tax Exemption initiative for retirees and surviving spouses was not as successful. House Bill 249 introduces by Representatives “Rudy” Martinez and Jim Strickler received a favorable hearing by the House Labor, Veterans’ and Military Affairs Committee but died in the House Taxation and Revenue Committee. Senate Bill 169 introduced by Senator Bill Burt got no traction.

However, the House Minority Leader, Representative Rod Montoya, provided some good advice. In order to improve the chances for passage next year, interim committees that meet between sessions must endorse the bill. In addition to House Labor, Veterans’ and Military Affairs Committee, the initiative must be endorsed by the interim Revenue Stabilization & Tax Policy Committee. To that end, it highly encouraged that members begin contacting members on both committees now.

House Bill 192 sought $200,000 appropriation to the Veterans’ Service Department to fund four full-time veteran services officers. The bill died in the House Appropriation and Finance Committee.

House Bill 186 sought approximately $1.9 million to fund transportation for veterans to health care providers. No House committee heard the bill.

Senate Bill 25 sought $300K to provide outreach and services to homeless veterans. The Senate Public Affairs Committee recommended a Do Pass, but died in Senate Finance Committee.

Relief of the double taxation standard for Social Security was summarily dismissed as being too detrimental to the revenue flow to the State of New Mexico.

In light of the largest state budget and lack of support to retirees in general and specifically military retirees, the future does not bode well for military veterans and surviving spouses in New Mexico. New Mexico is becoming less “retiree friendly” as it is already near the bottom of best states to retire. It is time to bring this fact to the attention of our state Senators and Representatives.

Our heartfelt sympathy is extended to the families of those who have passed to their eternal rest. May all those who grieve be comforted.

MOAA Chapter Annual Memorial Service
