## President's Message

### Albuquerque MOAA Vision:

*"Recognized as the leading Military Service Organization in central New Mexico, supporting and giving a voice to military retirees, surviving spouse, and veterans of all services."*

Dear Albuquerque MOAA (ALBUMOAA) Chapter member:

The Albuquerque MOAA Chapter continues to support the military community with various contributions, awards, donations, legislature efforts, activities, and resources.

During the months of April and May, the Albuquerque MOAA Chapter is presenting UNM ROTC and JROTC programs with recruitment awards and is hosting a memorial service to honor and celebrate the lives of MOAA members who have passed in 2019-2022.

MOAA was an important contributor to the efforts of getting the governor to sign the HB163 legislation in April and continues to work on MOAA advocacy.

Recently, your Chapter has started a new committee to focus on action items to support the military community. Volunteers are needed for planning and execution.

The Chapter also gained new volunteers since January 2022, who now fill the following positions:

Resource Committee representative  
Navy representative  
US Coast Guard representative  
National Guard representative  
and three NM Veterans Memorial representatives.

The Ski Club is planning their upcoming annual party and the Chapter is hosting the Annual Meeting October 16, 2022. The Chapter is growing, but is still in need of volunteers to fill the Secretary position, help with the Resource Committee, and Chair the Breakfast Club.

Recently, the Breakfast Club Coordinator position became vacant and monthly meetings have been cancelled as a result. This is a wonderful opportunity to socialize, network, and learn new things which has been ongoing for fifteen years. To keep it going, we need a volunteer to help.

If you are interested in either the Secretary or Breakfast Club roles, or being part of the many other committees and clubs which the Albuquerque Chapter promote, please contact me through the Albuquerque Chapter website. Our Board meetings are held every first Thursday of the month at 11:30am via Zoom or in-person and all are welcome to attend.

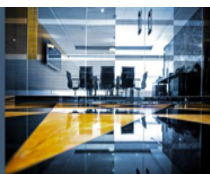

Please join us and help our efforts to support your military community!!

Sincerely,

CPT Stacey Goldstein-Dwyer, MA, PsyD, USA (Ret)  
President, ALBUMOAA Chapter

In 2012, our Chapter established the Albuquerque Chapter of MOAA Endowment at the Albuquerque Community Foundation (ACF) to enhance our current, and especially our future, ability to contribute to worthy charitable organizations that help military personnel, veterans and dependents. The endowment was initiated in late January of 2012 and has grown as a result of contributions and the growth in the investments. The Board has adopted a policy of using the annual Endowment distribution to increase our giving each year. For those who are so inclined, gifts can be made to the Chapter Endowment as a part of a member's estate or as part of a yearly donation. More information about the annual performance and use of the distribution will be published in a future ALBUMOAA. For questions, the Chapter point of contact is the Treasurer, Clint Whisonant.

## *From Your The Surviving Spouse Liaison Katie Fellure*

A new bill has been introduced in Congress for Surviving Spouses. The bill is called HR 6849 Supporting All Veteran Families Act. HR 6849 was introduced in February to the Veterans Affairs committee by Representative Marie Newman of Illinois (IL-3). Currently, one New Mexico representative, Melanie Stansbury (NM-1) is a co-sponsor!

This bill would update certain terminology related to marriage under the laws administered by the Secretary of Veterans Affairs; Title 38, US Code section 101 (3) and section 5120 (b). The VA uses the term "hold yourself out as married", it prohibits a Surviving Spouse from cohabitating with a person of the opposite sex. The VA law also still defines "spouse or surviving spouse" as someone of the opposite sex. These archaic notions should be removed. No other federal Survivor Program or beneficiary has inference of marriage.

Same-sex couples, are entitled to the same survivor benefits as their opposite-sex counterparts and it needs to be reflected in the law to provide assurance of this right. This is a no cost bill, only requiring the terminology related to marriage under the laws administered by the Secretary of Veterans Affairs to be updated.

What Can You Do?

Call your Representative in Congress and ask them to Co-Sponsor HR 6849!

### **Fairview Memorial Park**

700 Yale Blvd. SE (and Avenida Cesar Chavez), Albuquerque, New Mexico. Follow this link: <https://historicfairviewcemeteryabq.org/get-involved/>

The original area of the cemetery was called Fairview Cemetery. It is non-perpetual care area with burials dating back to 1881. It is now a "Not for Profit" separate entity and was renamed "Historic Fairview Cemetery". This area is located on the north side with access through the perpetual care area of the cemetery. The Historic Fairview portion of the cemetery is closed to new burials.

The perpetual care area of the cemetery, located south of Historic Fairview Cemetery, was established in the 1930's and is called "Fairview Memorial Park". The Historic Fairview portion has over 500 gravestones in disrepair, non-standing headstones, and unmarked grave sites.

### **DVS to Lead Multi-Agency Effort to Restore Historic Albuquerque Cemetery**

**DVS is leading a multi-agency effort to restore the Historic Fairview Cemetery in Albuquerque**—where nearly 500 veterans are buried in gravesites that, along with the rest of cemetery's 12,000 plots, have eroded to the point of needing major repairs.

Historic Fairview Cemetery is a 501(c)3 organization.

DVS met with representatives from the Historic Fairview Cemetery nonprofit organization, State Historical Preservation Officer Jeff Pappas, and SBA New Mexico District Director John Garcia on March 9 in Santa Fe to discuss forming a partnership to make the badly needed repairs and install landscaping at the cemetery. "I am overwhelmed with sadness seeing what I see," said Secretary Smith after she was shown photos of the cemetery at the meeting and learning more about its history. "But yet I also have an overwhelming desire to fix this...to give these veterans the respect they deserve for having served our country. We have to do this!" Among the veterans buried at the cemetery are those who served in our nation's Civil War, and "Buffalo Soldiers"—African American members of the U.S. Army who were assigned to defend post-Civil War U.S. frontier outposts and forts, including many here in New Mexico. Other veterans buried there served, including one Medal of Honor recipient, 17 Rough Riders from the Spanish-American War, World War I, and all wars.

### Memorial Day Observation Preparation, Friday, May 27<sup>th</sup>

#### Santa Fe Veterans National Cemetery

*Reported by Michael Houck, LTC (R). USA, 2d VP*

Among the purposes of the Albuquerque Chapter MOAA is to “support veterans’ memorials and monuments.” A pre-Memorial Day opportunity to contribute in support of that organizational mission can be accomplished at the Santa Fe National Veterans Cemetery. The Santa Fe VFW Post is organizing and conducting the Memorial Day Observation Preparation on Friday, May 27<sup>th</sup>. Individuals, couples, and organizations will rendezvous at the Santa Fe Veterans National Cemetery after 0900 hours to receive flags to place at the headstones and columbarium across the cemetery. The distribution of over 50,000 American Flags will be made to volunteers for marking gravestones.

The decoration flags will be stationed with VFW and VA grounds maintenance personnel and distributed from their 4-wheel, all terrain maintenance vehicles stationed strategically throughout the cemetery. Members volunteering to place flags at the gravestones can pick an area of the cemetery to decorate gravestones and rally around the maintenance vehicles to collect 100 flags per packet to carry to the grave sites. A back pack works well to carry a full packet of flags, a tote bag also is an efficient carrier, or only take 25 flags at a time. If it is a nice day, walking back and forth to restock on flags gets you closer to your 1,000 daily aerobic steps. Gardening or hunting gloves are very useful, as is a lid from a jam or preserves jar.

A lesson I learned at Arlington National Cemetery: the 3d Infantry Regiment members use soda or beer bottle caps to place in the palm of the hand as a protection device to assist in embedding the flag staff into the soil at the gravestone. You have to be well rehearsed to use the small bottle cap in your palm and not have a self-inflicted bruising or hand injury. Find a jam or preserves jar lid that fits your palm, so you can cup the lid and hold the small flag and its staff to guide it into the ground. I have found these lids to be durable and protective.

Woodsman Insurance, an event promoter and sponsor for the May 30, 2002, Memorial Day event and program at the Santa Fe Veterans National Cemetery, will provide beverages, water, and snacks at locations across the cemetery on May 27<sup>th</sup> to compliment you while taking a break in the shade, if you can find shade, in the newer sections of the cemetery. Carrying your own, preferred energy bar, water, or sports drink in your backpack or tote bag, also, is good prior planning.

If there are questions concerning the event preparation at the Santa Fe Veterans National Cemetery contact me at [2nd-vice@albuquerquemoaa.org](mailto:2nd-vice@albuquerquemoaa.org) or 505-271-6454 and I will assist in getting you information. Due to the vastness of the S.F. Veterans Cemetery and the irregular individual arrival times, an initial area to meet and assemble as an MOAA group will be near the communal shelter in Section 5 of the cemetery. It always is appropriate to ensure flags are posted along the highway visible gravesites in Section 9 & 10 of the cemetery. That will be our starting point in the morning. Later in the day as weather and the number of volunteers available dictate, we can move north to Columbarium 4, Section 24 and 25.
