

President Report (November 2022)

It is my honor to be formally elected to the President of the ALBUMOAA for a two-year term. Congratulations to our newly appointed 1st VP, Reg Rider, re-elected 2nd VP, Mike Houck, and newly appointed treasurer, Mark Dwyer! As a membership, we have done so much for our military family, and it is exciting what more we are going to do in the upcoming year of 2023. Additionally, I attended the National MOAA Annual Membership Meeting in Kansas City, MOA and received the LOE 5-star award on behalf of ALBUMOAA with pride and honor. I thank all of the Board and chapter membership for everything they have done to exemplify the “very best” in leadership and military dedication.
