The Newsletter of The Military Officers Association of America

May - June 2023, Volume XLIII, No. 3

President's Message

Albuquerque MOAA Vision:

"Recognized as the leading Military Service Organization in central New Mexico, supporting and giving a voice to military retirees, surviving spouse, and veterans of all services."

Dear Albuquerque MOAA (ALBUMOAA) Chapter members:

Thank you to all who attended the ALBUMOAA March 2nd Quarterly Social Potluck! It was a great opportunity to socialize, eat delicious food, and learn about some new resources our local vendors presented to the group. Details on the July Social Potluck with photos from the March Social can be found on page 10. If you know of a company or group who can provide useful resources to our membership, please have them contact me so we schedule them for our next Quarterly Social. Our Chapter hosted the NM CoC this month and the meeting went very well. One of the main discussions was the utilization of the CoC funds to support giving efforts at the Chapter levels. Stay tuned for more information on this topic!

We also had our first Lunch Club, which was awesome!! If you haven't already, plan on attending the next Lunch Club where there will be a wonderful speaker, terrific socializing opportunity, and good food! Information on the May Lunch Club speaker is on page 5.

We have also presented several ROTC candidates with MOAA Scholarships and are honored to see more young individuals join the ranks. ALBUMOAA has Chapter Challenge Coins and now lapel pins for purchase at \$10 and \$5; respectively. Coins and lapel pins are available at the address below (cash payments only) and will be available at the Quarterly Social Potlucks, Annual Meeting and other special events.

On a more serious note, ALBUMOAA has one of the largest memberships, but like other Chapters have shown little participation from members outside of those on the Board.

Please help change this and volunteer for one of the many activities your Chapter has to offer, or volunteer to serve on the Board as the Surviving Spouse Rep/Liaison or Board Secretary. These roles take little of your time, but make a large contribution to our membership. See you soon at one of our many upcoming events!

In 2012, our Chapter established the Albuquerque Chapter of MOAA Endowment at the Albuquerque Community Foundation (ACF) to enhance our current, and especially our future, ability to contribute to worthy charitable organizations that help military personnel, veterans and dependents. The endowment was initiated in late January of 2012 and has grown as a result of contributions and the growth in the investments. The Board has adopted a policy of using the annual Endowment distribution to increase our giving each year. For those who are so inclined, gifts can be made to the Chapter Endowment as a part of a member's estate or as part of a yearly donation. More information about the annual performance and use of the distribution will be published in a future ALBUMOAA. For questions, the Chapter point of contact is the Treasurer, Clint Whisonant.

Who protects the health of the citizens of the United States? This program explains the evolution of the Public Health Service and the PHS Commissioned Corps. Although invisible, they touch millions of lives every day: from fluoridated water to an America free of malaria. Narrated by Ali MacGraw, the program examines the importance of public health and how the USPHS Commissioned Corps role in health care, research and disaster relief keeps our country safe and healthy.

"When you think of some of the most difficult, challenging tragedies or public health challenges that we've experienced over the last several decades, these are the folks who've been there from the start."

Santa Fe National Cemetery is expanding to Albuquerque!!!

Veterans who wish to be laid to rest in a national cemetery in New Mexico soon may not have to make their final journey to Santa Fe.

The federal agency that oversees veterans' cemeteries across the U.S. recently purchased 230 acres on Albuquerque's West Side as the site of a future cemetery. Burials at the site off Atrisco Vista NW could begin as early as 2027 if design and construction move forward as planned.

The new cemetery is envisioned as a "future replacement of the Santa Fe National Cemetery," according to a statement issued last month by the U.S. Department of Veterans Affairs National Cemetery Administration. The 90-acre Santa Fe National Cemetery is expected to run out of space by about 2030.

Some 71,000 veterans and eligible family members have been interred at the Santa Fe National Cemetery since it was established in 1875. The cemetery performed about 2,300 burials in 2022.

The Albuquerque site is both centrally located and large enough to serve the needs of veterans for centuries. An estimated 81,000 veterans live within a 75-mile radius of the new site, the VA estimates. The Albuquerque site is centrally located to pull veterans from Belen, Truth or Consequences, Los Lunas, Gallup, all of Albuquerque and some from Santa Fe.

The Albuquerque Chapter has been approved by the IRS as a 501(c)(3) public charity. Our Chapter's "Charitable Giving" program has grown as the Ski Club, Tours, special projects, and individual donors contribute sizable amounts. Many members donate in conjunction with their dues payment. Donors may contribute to the overall Charitable Giving program, or they may specify their donation to one of the causes listed below:

Thank You!

 KAFB Quarterly Awards
 NM VA Medical Center
 NM Veterans Memorial

In the last couple months, the "**Charitable Giving**" Program received another **\$1542.00** in donations in conjunction with their dues payments from the following 30 members:

Our Albuquerque Chapter, MOAA, is also **matching membership donations up to \$1,000** this year towards the donation to the **Veteran Integration Center (VIC)**. Their mission is "to enable Veterans and their families to achieve stable housing, financial security, and a renewed sense of community." For more information, click on <https://www.nmvic.org/>.

They have just broken ground for Phase 1 Building and Outdoor Campus Spaces and any donation made will go towards the continued expansion of services the VIC can provide to our military. So, please help with this effort by sending donations to: Albuquerque Chapter, MOAA, PO Box 5071, Albuquerque, NM 87185-5071. To date, we have 1 donation for \$50 from David A Coulie.

A big THANK YOU for all your **generous** contributions!

Help is needed for the **Albuquerque Chapter MOAA Annual Memorial Service** and City of Albuquerque sponsored **Memorial Day national holiday** remembering military veterans and honoring their service and sacrifice.

First is the Albuquerque Chapter MOAA Annual Memorial Service recognizing our Chapter members who passed away in 2022 and 2023. We will honor our members on **Saturday, May 13, 2023** at the NM Veterans Memorial Park Amphitheater from 10:00 to 12:00.

Those that we honor this year include two of our “greatest generation” members who served in World War II. We hope that our current members will turn out to remember and honor these “greatest generation” members and our other now departed members.

Volunteer support from our members is needed to organize and set-up the Amphitheater and to participate in the Memorial Service. If you can help, please contact **Michael Houck, 2d Vice President**, MOAA 2ndvice@albumoaa.org. Your assistance and camaraderie will be very much appreciated.

Second is the City of Albuquerque sponsored Memorial Day national holiday remembering, recognizing, and honoring of military veterans who gave all in the defense of freedom when called upon to serve. The Memorial Day service and program will be on **Monday, May 29, 2023** at the NM Veterans Memorial Park in Albuquerque.

As part of the MOAA Chapter contribution to the ceremony, we need to identify 6-8 volunteers to act as ushers in the Amphitheater and assist with seating for program participants and invited guests to the Veterans Memorial Park and Memorial Day ceremony.

If you can help, please contact **Michael Houck, 2d Vice President**, MOAA 2ndvice@albumoaa.org. Your assistance and camaraderie will be very much appreciated as we join with other Albuquerque veterans’ organizations to remember our fallen.

Pre-Memorial Day Setting of Flags, Friday, May 26th Santa Fe Veterans National Cemetery

Reported by LTC Michael Houck, USA (Ret), 2nd VP

Among the purposes of the Albuquerque Chapter MOAA is to “support veterans’ memorials and monuments.” A pre-Memorial Day opportunity to contribute in support of that organizational mission can be accomplished at the Santa Fe National

Veterans Cemetery.

The Santa Fe VFW Post is organizing and conducting the Memorial Day Observation Preparation on Friday, May 26th. Individuals, couples, and organizations will rendezvous at the Santa Fe Veterans National Cemetery after 1000 hours to receive flags to place at the headstones and columbarium across the cemetery.

The distribution of over 70,000 American Flags will be made to volunteers for marking gravestones. Last year there were 68,000 interred veterans at the Santa Fe National Veterans Cemetery, this year there are 71,000 graves to be marked.

The decoration flags will be stationed with VFW and VA grounds maintenance personnel and distributed from their 4-wheel, all terrain maintenance vehicles stationed strategically throughout the cemetery. Members volunteering to place flags at the gravestones can pick an area of the cemetery to decorate gravestones and rally around the maintenance vehicles to collect 25 - 100 flags per packet to carry to the grave sites. A back pack works well to carry a full packet of flags, a tote bag also is an efficient carrier, or only take 25 flags at a time. If it is a nice day, walking back and forth to restock on flags gets you closer to your 1,000 daily aerobic steps. Gardening or hunting gloves are very useful. The cemetery ground crews can provide a marking and soil penetrating tool to assist in setting the flag at the headstone or grave marker.

If there are questions concerning the event preparation at the Santa Fe Veterans National Cemetery contact me at 2ndvice@albumoaa.org or 505-271-6454 and I will assist in getting you information.

Due to the vastness of the S.F. Veterans Cemetery and the irregular individual arrival times, an initial area to meet and assemble as an MOAA group will be near the communal shelter in Section 5 of the cemetery. It is always appropriate to ensure flags are posted along the highway visible gravesites in Section 9 & 10 and 4 & 5 of the cemetery which will be our initial rallying point in the mid-morning. Later in the day as weather and the number of volunteers available dictate, we can move north to Columbarium 4, Section 24 and 25.
