

## ALBUMOAA BOARD OF DIRECTORS MEETING

### May 2023 USPHS Representative Report

May 2, 2023

#### REMINDER:

The *PHS Commissioned Officers Foundation for the Advancement of Public Health* (COF) has partnered with Christopher Productions, LLC to produce a documentary on the U.S. Public Health Service (USPHS) for the Public Broadcasting Service (PBS). It will cover the history and role of the USPHS, highlighting aspects of the USPHS Commissioned Corps to help educate viewers about the role that the officers play in the FUTURE health of our nation, and the world.

Christopher Productions (CP) is located in Albuquerque, NM. I was contacted by Chris Schueler, President of CP last week. An Albuquerque Premiere of the “Invisible Corps” is scheduled for May 18<sup>th</sup> at the University of New Mexico Health Sciences Center, Domenici Auditorium. Admission is free but with limited seating.

In the past decade, Christopher Productions has been nominated for over 45 Emmy awards and boasts honors including:

- The Grand Award for Programming at the New York Festivals;
- Two International Iris Awards;
- The National Education Association Award for the Advancement of Learning through Broadcasting;
- Two CBS network awards for Excellence in Community Service;
- Two Service to Children's Television Awards from the National Association of Broadcasters; and
- The Parents' Choice Award.

It is very exciting that CP has partnered with COF and PBS to produce this long awaited film.
