

September - October 2023, Volume XLIII, No. 5

President's Message

Albuquerque MOAA Vision:

"Recognized as the leading Military Service Organization in central New Mexico, supporting and giving a voice to military retirees, surviving spouse, and veterans of all services."

Dear Albuquerque MOAA (ALBUMOAA) Chapter members:

ALBUMOAA has a few exciting things coming up including our Annual Meeting on October 15, 2023 and our Annual 100th Birthday party on September 15, 2023.

The Chapter will also have a table at the NM State Fair on Military Day, September 12, 2023, in an effort to recruit new membership and share with everyone the mission and services of our Chapter.

We hope to see you at these events!

The Chapter's current charitable focus is centered on the Veterans Integration Center (VIC) as the VIC is in the midst of expansion and providing various resources to Veterans in need.

A donation of at least \$1k will be made to the VIC at the Annual Meeting of Members on October 15, 2023; however, the Chapter plans to match membership donations to the VIC for up to another \$1,000!

Minimal contributions have been made to date, so please consider a donation to the cause, any amount is appreciated!

ALBUMOAA is still in need of a Secretary and Surviving Spouse Representative.

These positions require a minimal amount of your time but the time spent would benefit so many and these positions play an important role.

Please consider serving your Branch and community by filling one of these positions.

Lastly, the BOD is seeking volunteers to help on September 12, 2023. Please consider joining us and spreading the word about why someone should become a member of ALBUMOAA.

In 2012, our Chapter established the Albuquerque Chapter of MOAA Endowment at the Albuquerque Community Foundation (ACF) to enhance our current, and especially our future, ability to contribute to worthy charitable organizations that help military personnel, veterans and dependents. The endowment was initiated in late January of 2012 and has grown as a result of contributions and the growth in the investments. The Board has adopted a policy of using the annual Endowment distribution to increase our giving each year. For those who are so inclined, gifts can be made to the Chapter Endowment as a part of a member's estate or as part of a yearly donation. More information about the annual performance and use of the distribution will be published in a future ALBUMOAA. For questions, the Chapter point of contact is the Treasurer, Allen Tate.

<https://albumoaa.org/how-to-join/>

On 6 July 2023 I testified on behalf of the NM Military/Veterans Leadership Council (MVLC) and NM MOAA at the Interim Joint House & Senate Military/Veterans Affairs Committee meeting at Angel Fire NM. The meeting was Chaired by Representative (Rep) Harry Garcia, Co-Chair Senator (Sen) Harold Pope. Other Committee members present were:

Rep Eliseo Lee Alcon, Rep Art De La Cruz, Sen Shannon D. Pinto, Rep John Block, Rep Stephanie Lord, Senator Michael Padilla, Representatives Andrea Reeb and Debra M. Sarinana.

I provided testimony in support of the three following legislative priority items for MVLC0.

1. The Fix to the Military Retiree Tax Exemption - add Surviving Spouses and eliminate the sunset.

During my testimony I mentioned that in March of 2023 the Governor regrettably line item vetoed the provisions to Fix the Military Retiree Tax Exemption. I further stated that the Governor also vetoed legislation for a study in 2021 concerning the impact of Military Retirees on NM - a study that members of the committee had give up some of their discretionary funds to fund.

I went on by saying that in 2021 the MVLC sent a letter to the Governor asking for her support and asking for a meeting with her and her staff. I told the committee that to this day we have not received a response to our letter.

2. Potential Conflict between HJR05 & HJR06 (Veterans Property Tax Exemption update) –

Both will be on the ballot in 2024 General Election.

HJR05 increases the Veterans Property Tax Exemption from the current \$4,000 to \$10,000 and is also inflation indexed. HJR06 ties the Veterans Property Tax Exemption the % of VA Disability. 75% of NM Veterans have a 0% or no rating.

I pointed out that this could be a conflict if both pass. Rep Alcon the sponsor of the two measures assured me that they will be working on implementation legislation in 2024 session that will give the Veteran whichever is the greater amount.

(continued on next page)

I asked that the Committee provide us with a sample calculation of Veterans Prop Tax Exemption with the %Disability in place so we could share it with our members. Rep Alcon said he would get back to us. We will have to watch this legislation closely there seems to be some confusion.

3. Veterans Homeless and Mental Health legislation - the latest NM Sheltered and Unsheltered count (2020) counted only 252 homeless vets in NM. The whole HUD report for 2020 showed a total of 37,252 homeless vets in the US. VA estimates that on any given day there are 107,000 homeless vets in US (3x larger number than the HUD estimate).

So factoring the VA vs HUD data I told the committee that a conservative estimate for NM would be 700 - 900 homeless vets at any time. They agreed that the actual number should even be higher since Rep Garcia stated the homeless vets on the reservation are most likely not counted.

I suggested the committee should consider commissioning a study by one of our Universities to obtain a more accurate count (especially in rural areas). They agreed that they want to do data based legislation and that they need better data.

My testimony ended just before 1100. I then presented Representative Garcia & Senator Pope MOAA Certificates of Appreciation for their legislative leadership for the period 2019 - 2023. They both were very pleased.

We are continuing our journey to revise and invigorate our Chapter website. Organizations across the country have responded to our request for website design and hosting assistance. We are reviewing these responses and working the details of our new website.

The current website continues to function, providing critical information about our Chapter, NM Legislative Info, Photo Gallery, Newsletters, Clubs (Lunch, Ski, Tours), etc. However, the backbone of the site is still at risk and could fail at any time. So, our need is urgent for a replacement.

Please recognize our new website will be different from our current site. We'll strive to maintain similarities to our current site (Links, Pages, etc.) and will maintain the required attributes recommended by the National MOAA criteria.

I am still looking for any Albuquerque Chapter members interested in assisting with development and testing of the new website. If you are interested, please contact me at webmaster@albuquerquemoaa.org or at (505) 850-8121. Thank you.
