

MOAA Albuquerque Chapter
Webmaster's Report
05/01/2023

- Multiple issues with current website
 - Ninja Forms not appropriately populating Membership New and Renewal emails
 - Security concerns with updating various plugins, host software, and access
 - No longer able to update membership status (receiving "Timeout" error message)
 - Icon badges (MOAA Emblems) not updated
- Met with LDD Consulting on 05/01/2023 - presented issues noted above; discussed possible paths forward, to include repair of current website and potential replacement
- LDD has attempted to address updates affecting security concerns, but two software-based updates cause website to shutdown
 - May not be able to fix membership functionality because of inability to update
 - Other aspects of website (Calendar, Lunch Club announcements, Meeting Minutes posting, etc.) remain functional
- Requesting a full download of all membership data from LDD to facilitate alternate method of maintaining information while working permanent resolution to website functionality
