

# ALBUMOAA'S MAIL CALL

*The Newsletter of The Military Officers Association of America*

January - March 2024, Volume XLIV, No. 1

## *President's Message*

### **Albuquerque MOAA Vision:**

*"Recognized as the leading Military Service Organization in central New Mexico, supporting and giving a voice to military retirees, surviving spouse, and veterans of all services."*

Dear Albuquerque MOAA (ALBUMOAA) Chapter members:

The Albuquerque Chapter is focused on continuing our mission to provide resources to our military. However, our membership has declined over the past year which has limited forward progress. As a result, we are considering a few cost control measures, such as generating your newsletter on a quarterly vs bi-monthly basis to reduce mailing and printing costs.

In an effort to remedy this, the Board is currently focused on membership recruitment through social media, collaboration with other local military groups, marketing brochures, branding (updated Chapter Challenge Coins and lapel pins), social events and activities (i.e., ski club, lunch club, tours, plays, and social quarterlies), and community engagement.

To be successful in these methods, we must have more engagement from our existing membership such as new Board members to take on leadership roles including secretary, recruitment, and branch representatives and donations towards Board identified military organizations.

In the spirit of new year resolutions, I challenge each of you to identify one way you can contribute to ALBUMOAA's mission this year.

Together, we can do so much!

In 2012, our Chapter established the Albuquerque Chapter of MOAA Endowment at the Albuquerque Community Foundation (ACF) to enhance our current, and especially our future, ability to contribute to worthy charitable organizations that help military personnel, veterans and dependents. The endowment was initiated in late January of 2012 and has grown as a result of contributions and the growth in the investments. The Board has adopted a policy of using the annual Endowment distribution to increase our giving each year. For those who are so inclined, gifts can be made to the Chapter Endowment as a part of a member's estate or as part of a yearly donation. More information about the annual performance and use of the distribution will be published in a future ALBUMOAA. For questions, the Chapter point of contact is the Treasurer, Allen Tate.

The Club is in the midst of the 2024 Ski Season with two trips completed. The first was Wolf Creek, brought back after several years to the delight of our members. The second was Telluride, a yearly favorite. Unfortunately, we had to cancel our Purgatory trip due to low signups, but have made the hotel discount available to those who wish to drive themselves. Our last trip of the season is Crested Butte which has a full roster. This trip is in late February and is an absolute favorite for the club.

So far, so good is the quote of the season. We have had good snow and only minor injuries!

We are starting to plan for the 2025 season with trips to Wolf Creek, Telluride, Breckenridge and Crested Butte for sure.

Steamboat is a possible but we are not committed to it yet.

Below are a few photos from our Ski Trip to Telluride and Wolf Creek below.

## **MOAA Meal Train Team Prepared Thanksgiving Meal for Veterans' Family Members Staying at the Fisher House, Thursday, November 23, 2023**

*Reported by LTC Michael Houck, USA (Ret), 2nd VP*

The Albuquerque MOAA “Meal Train *Sous Chefs*” (Michael Houck, Darcy Houck, Nancy Loisel, Claude Valles, and Rita West) prepared Thanksgiving Day dinner for the families of hospitalized veteran grandfathers at the VA Medical Center.

The dinner service on Thanksgiving Day was derailed early morning on Thanksgiving Day when the two hospitalized veterans passed away. The families’ priorities changed dramatically at that point from visitation to mourning the loss, helping start funeral arrangements, and beginning the process of assembling estate records for closure and transfer. The third family from the Tacoma, Washington area, the parents of a National Guard Soldier in New Mexico for training and was injured and hospitalized. These parents chose to spend the day at the hospital until the end of visiting hours.

Undeterred, the “Meal Train *Sous Chefs*” prepare the dinner for serving just in case a family would show up for dinner. At the end of the cooking day the “Meal Train *Sous Chefs*” enjoyed the company of each other. “*Sous Chefs*” relaxed, first, with appetizers and Wassail and then dined on the Gringo Tamales, pinto beans, Mexican corn, and kale-apple salad, and dessert. Forward looking into the Thanksgiving weekend, we then packed a complete Thanksgiving meal serving into meal storage containers for the families to reheat and consume at the Fisher House as their time and schedules permitted. The packaged dinners were divided into the remainder of the appetizers, wassail, 5 dozen tamales, vegetables, and salad after the “*sous chefs*” completed dinner. The Fisher House manager reported that the families consumed all the appetizers, wassail, and packed dinners the day following Thanksgiving. Consuming the desserts took two days.

The families staying at the Fisher House were very personable and appreciative of the time and effort that the “Meal Train *Sous Chefs*” took to schedule and prepare the Thanksgiving Day meal for them. They also were apologetic as they left on Thanksgiving Day for likely having to be absent to be with grandmas and their families in Albuquerque.

The Albuquerque MOAA “Meal Train *Sous Chefs*” lessons learned is that preparing and cooking for visitors-guests staying at the village inn is a demanding time and organizational task. Key to the successful completion of the meal was that each member of the “*Sous Chefs*” knew what mission accomplished entailed, enjoyed cooking, and followed the recipes working individually and side-by-side with team members to concurrently and sequentially prepare and complete on time ten (10) separate dishes on the menu.

The same can be said for the meal packing, KP duties, dish washing, and facility cleaning at the end of a nine-hour day.

Thank you, “chefs”, for participating and providing appreciated assistance and service to three out-of-town families facing sorrow, emotional distress, and travel-weariness. Also, kudos to you from the VA Medical Center, Fisher House Manager and staff, and most importantly from the veteran’s visiting granddaughters and families, and the parents of the National Guard airman.

# **Santa Fe National Cemetery Visitation Project Pilot Program**

Posted on November 15, 2023 at 12:00 AM by Riann Martinez

Rio Metro and the New Mexico Rail Runner Express are proud to honor veterans and active duty military year-round with the Freedom to Ride Program. Over the past year, Rio Metro also found a way to recognize the families and loved ones of those who served with a pilot program transporting seniors from Albuquerque-area senior centers to the National Cemetery and back.

The Santa Fe National Cemetery Visitation Pilot Program stemmed from the suggestion of an individual attending a presentation by Marie Morra, Rio Metro Marketing Specialist. The individual pointed out the lack of convenient and affordable transportation options for people, especially seniors, residing in Albuquerque to access the cemetery to visit their loved ones interred there.

“I had not been able to visit my spouse’s resting place for two and a half years because as I get older I’m not able to navigate the fast-paced interstate highway anymore,” said the individual, who preferred not to be named.

## **Setting the Wheels in Motion**

Morra took on the challenge of finding a way to address this issue. Setting the wheels in motion, she collaborated with Rail Runner Operations, the City of Albuquerque’s Department of Senior Affairs, the City of Santa Fe’s Senior Services Division, and the Santa Fe National Cemetery to develop a pilot program.

The pilot program consisted of three trips from Albuquerque area Senior Centers to the National Cemetery and back using the New Mexico Rail Runner Express as the primary mode of transportation. The trips took place on April 19, May 17, and June 14, 2023, and were limited to 50 people per trip.

Each collaborating entity was responsible for a different leg of the journey. The City of Albuquerque handled registration through their senior centers, bussed participants to the Rail Runner station, and provided sack lunches. Rio Metro provided transportation on the Rail Runner from Albuquerque to Santa Fe, informational posters, and lanyards for participants. The City of Santa Fe provided transportation from the Santa Fe Depot to the National Cemetery and back. The Santa Fe National Cemetery provided an informative presentation and shuttled participants to the grave sites they wanted to visit.

“We were able to bring together all of these groups that are involved with the seniors,” said Morra. “They opened their doors to us, and we couldn’t have done it without them. Each one of them provided a necessary component.”

There was no cost to any of the seniors participating in this program.

Gratitude All Around

“Everything was covered and it ran without a hitch,” said Michael Montroy, another participant. “I really appreciated the trip to Santa Fe since I don't drive and I don't have a way to travel to the Veterans Cemetery. It made us all feel special and important. This is going to be a moment I will cherish for a long, long time.”

“Having the opportunity to get this pilot project off the ground so that the families can visit loved ones has been a wonderful opportunity,” said Morra.

Rio Metro is planning to continue this collaboration, with the goal of coordinating three more trips in the spring and summer of 2024.
