In 2012, our Chapter established the Albuquerque Chapter of MOAA Endowment at the Albuquerque Community Foundation (ACF) to enhance our current, and especially our future, ability to contribute to worthy charitable organizations that help military personnel, veterans and dependents. The endowment was initiated in late January of 2012 and has grown as a result of contributions and the growth in the investments. The Board has adopted a policy of using the annual Endowment distribution to increase our giving each year. For those who are so inclined, gifts can be made to the Chapter Endowment as a part of a member's estate or as part of a yearly donation. More information about the annual performance and use of the distribution will be published in a future ALBUMOAA. For questions, the Chapter point of contact is the Treasurer, Allen Tate.

The **Albuquerque Chapter of MOAA is not associated with the Department of Defense.** This Newsletter is published bi-monthly. ## **2025 is around the corner. Have you paid your ALBUMOAA Annual Dues?**

*Reported by Allen Tate, Major, USAF (Ret), ALBUMOAA Treasurer*

Annual dues are: Regular member - \$24; Surviving Spouse - \$12; Associate Member - \$15.

To help facilitate payment of MOAA Annual dues, in January 2025 we will be sending invoices from our ALBUMOAA PayPal account via email to all members that still owe for next year. This is an additional means only, not a required payment method.

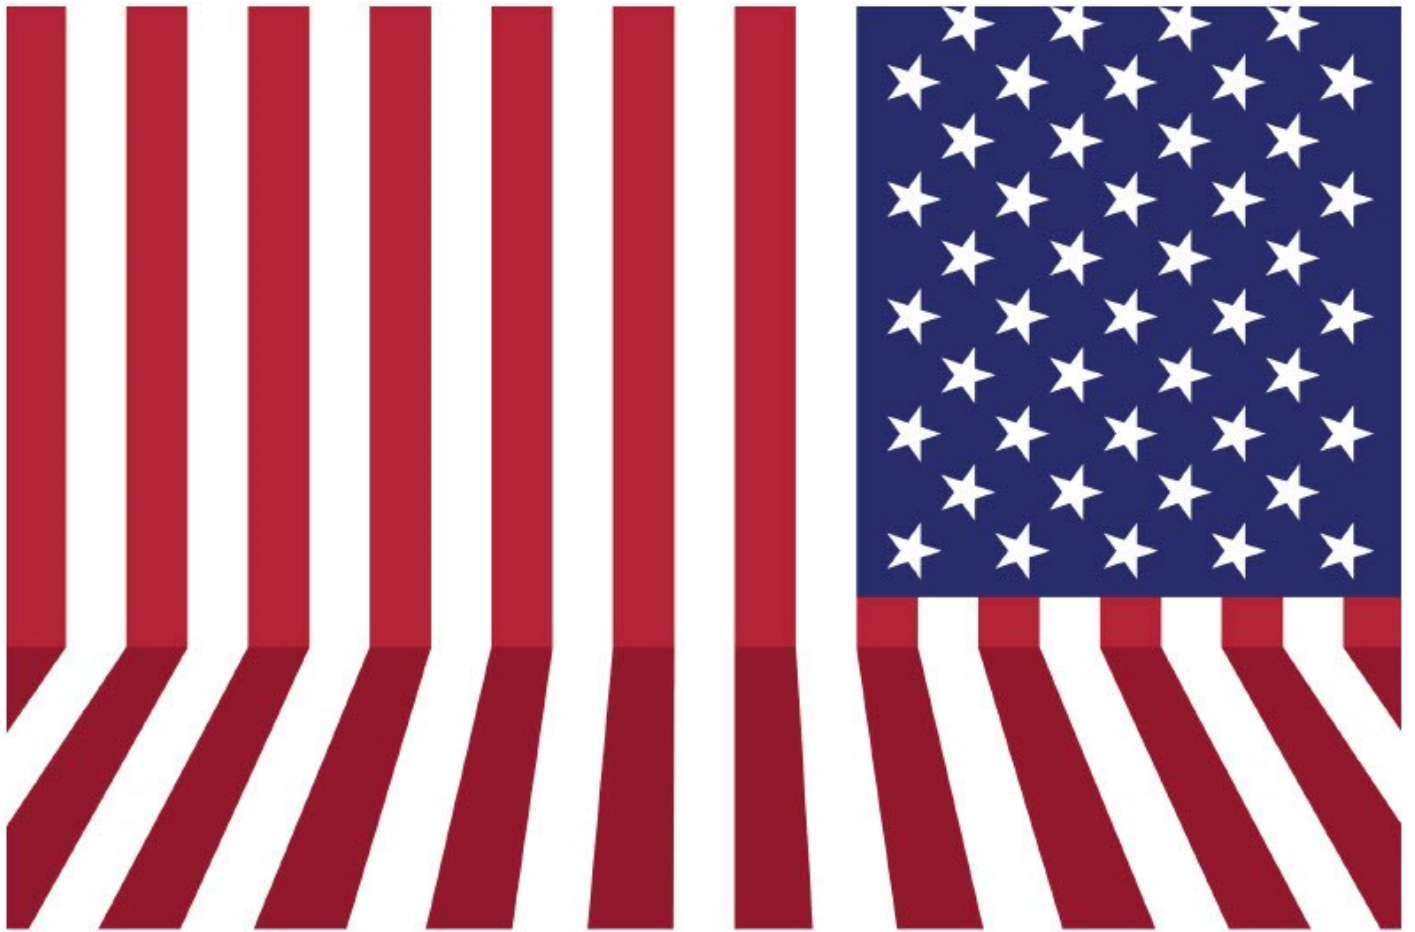

The National MOAA Chapter Dues payment method is functional. For all MOAA National members and survivors, you can go to the MOAA Website (<https://www.moaa.org>) and click on "About MOAA". In the dropdown menu you will find a link to "Councils and Chapters". Click on this link and on the right-hand side of the page under "Fast Access" you'll find the "Pay dues online" link. Follow the instructions to pay your annual dues and/or donate (look for "Albuquerque Chapter of MOAA").

You can also donate to the Albuquerque Chapter Giving Fund through PayPal. Just go to the PayPal Fundraiser Hub (<https://www.paypal.com/fundraiser/hub>) and search for "MOAA Albuquerque Chapter". Do not use this method to pay Annual Dues, only donations.

As always, you can join, renew, and/or donate using the last page of this newsletter and mail it with your check payable to MOAA Albuquerque Chapter. Our mailing address is:

**MOAA Albuquerque Chapter  
PO Box 5071  
Albuquerque, NM 87185**

If you have any questions concerning your dues payment status, please contact me at [treasurer@albumoaa.org](mailto:treasurer@albumoaa.org) or (505) 850-8121.

## The City of Albuquerque Announces USS Albuquerque Final Surface Point During Navy Week

*ADM Stuart Munsch and Mayor Tim Keller*

The Mayor of Albuquerque, Tim Keller, held a press conference on September 9th, 2024, and announced that the sail and fairwater planes of the USS Albuquerque (SSN-706) will be mounted in the "Duck Pond" at Tingley Beach in Albuquerque, NM. The mounting design will simulate the USS Albuquerque surfacing in the middle of the pond. The announcement coincided with the start of Navy Week in New Mexico, and was headlined by Admiral Stuart Munsch, a previous captain of the USS Albuquerque (2002-2005).

The press conference was held at Pascetti Steel, a local business in Albuquerque where the sail and fairwater planes are being prepared for reassembly. The US Navy League, New Mexico Council, and the United States Submarine Veterans Inc. (USSVI) Bullhead Base attended the press event to witness the City of Albuquerque's (CABQ) plans for the Tingley Beach display. These volunteer veteran organizations have been working with CABQ and the US Navy over the last 3 years to make this display a reality.

The USS Albuquerque was commissioned in 1983, completed 21 deployments and over 1,000 dives, and steamed over a million miles until her decommissioning in 2017. Having been homeported on both coasts, the USS Albuquerque is one of the few warships in US history to have deployed to every ocean in support of every operational command worldwide. CABQ successfully petitioned to have the sail and fairwater planes removed during the boat's disassembly and then shipped the items to Albuquerque, NM.
